Document ID: 13

Document Type: Terms of Service

Company: Hulu Beje

Scope: Customers, Orders, Products, Sellers, Payments, Delivery, Returns, Promotions, Accounts, Customer Conduct, and General Service Use

==========

1. PURPOSE AND ACCEPTANCE OF THESE TERMS

==========

These Terms of Service describe the general terms that apply to the use of Hulu Beje services.

By accessing, registering for, or using Hulu Beje services, customers are expected to:

- Use the service responsibly.
- Provide accurate information where required.
- Follow applicable service policies.
- Respect other customers, sellers, delivery personnel, and Hulu Beje personnel.
- Follow applicable laws and regulations.
- Review applicable policies before completing transactions.

Specific terms may vary depending on:

- Product
- Seller
- Order
- Payment method

- Delivery method

- Promotion

- Return conditions

- Applicable laws and regulations

==========

2. ABOUT HULU BEJE

==========

Hulu Beje is an Ethiopian-based e-commerce company that provides an online marketplace and related services for customers to discover products, place orders, make payments, receive deliveries, and access customer support.

Depending on the transaction, products may be supplied directly by Hulu Beje or by participating sellers.

The responsibilities associated with a particular product or transaction may therefore depend on the seller and the applicable business

arrangement.

==========

3. ELIGIBILITY TO USE THE SERVICE

==========

Customers should use Hulu Beje services only when they are legally permitted to do so.

Customers are responsible for:

- Providing accurate information.

- Following applicable laws.

- Following these Terms of Service.

- Following applicable product and transaction policies.

- Using the service for legitimate purposes.

==========

4. CUSTOMER ACCOUNTS

==========

Customers may create an account where account registration is required or available.

Customers are responsible for:

- Providing accurate account information.

- Keeping account information reasonably current.

- Protecting account credentials.

- Not sharing passwords unnecessarily.

- Reporting suspicious account activity.

- Using the account only for legitimate purposes.

Customers should not allow unauthorized persons to use their accounts.

==========

5. ACCOUNT INFORMATION

==========

Account information may include:

- Name

- Phone number

- Email address

- Saved delivery addresses

- Account preferences

- Other information required for account management

Customers should provide accurate information where required.

Incorrect information may affect:

- Account communication

- Order processing

- Delivery

- Customer support

- Returns

- Refunds

==========

6. ACCOUNT SECURITY

==========

Customers are responsible for protecting their account credentials.

Customers should:

- Use a strong password.
- Avoid sharing passwords.
- Avoid sharing OTPs.
- Avoid sharing authentication codes.
- Avoid entering credentials into suspicious requests.
- Report suspicious activity promptly.

Hulu Beje support should never request a customer's password or confidential authentication credentials.

==========

7. ACCOUNT MISUSE

==========

Customers should not:

- Access another person's account.

- Use another person's account without authorization.

- Attempt to obtain another customer's information.

- Misrepresent their identity.

- Use false information to create accounts.

- Use accounts for fraudulent activities.

- Attempt to bypass account security measures.

==========

8. PRODUCT LISTINGS

==========

Products displayed through Hulu Beje may include information such as:

- Product name

- Description

- Images

- Specifications

- Price

- Variants

- Seller information

- Availability

- Delivery information

Product information may vary by product and seller.

Customers should review relevant product information before placing an order.

==========

9. PRODUCT INFORMATION

==========

Product descriptions and specifications are intended to help customers make informed purchasing decisions.

Where relevant, product information may include:

- Brand
- Model
- Size
- Color
- Material
- Dimensions
- Features
- Compatibility
- Included accessories
- Warranty information
- Seller information

Customers should review the applicable product listing for the specific item being purchased.

==========

10. PRODUCT IMAGES

==========

Product images are provided to help customers identify and understand products.

Images may not always represent exact:

- Color appearance
- Size perception
- Packaging
- Display arrangement

Customers should rely on the written product information and applicable specifications where available.

==========

11. PRODUCT AVAILABILITY

==========

Product availability may change.

Products may:

- Become unavailable.

- Go out of stock.

- Have limited quantities.

- Become unavailable in particular locations.

- Become unavailable from a particular seller.

Availability should be considered based on the current product information at the time of purchase.

==========

12. PRODUCT PRICES

==========

Product prices may change.

The applicable price for an order should be the price presented during the relevant purchasing process, subject to applicable terms and any confirmed transaction information.

Customers should review:

- Product price

- Quantity

- Discounts

- Delivery fee

- Applicable charges

- Final order total

before confirming an order.

==========

13. PRICING ERRORS

==========

If an obvious pricing or product information error occurs, the applicable order may require review.

Depending on the circumstances, Hulu Beje or the relevant seller may need to:

- Correct the information.

- Contact the customer.

- Cancel the affected transaction where appropriate.

- Provide an appropriate resolution.

Specific outcomes depend on the circumstances and applicable policies.

==========

14. PRODUCT SELLERS

==========

Some products may be supplied by participating sellers.

Seller responsibilities may include:

- Accurate product information
- Product availability
- Appropriate packaging
- Order fulfillment
- Product quality
- Applicable warranties
- Returns and replacements where applicable

Hulu Beje may provide marketplace and customer support services while the seller remains responsible for certain product-related obligations.

==========

15. SELLER PRODUCT INFORMATION

==========

Customers should review the seller and product information associated with an item before purchasing.

Where applicable, customers may see:

- Seller name
- Product information
- Seller-related policies
- Warranty information
- Delivery information
- Return information

Seller-specific conditions may apply to particular products.

==========

16. ORDERS

==========

An order is created when a customer completes the applicable purchasing process and the transaction is accepted according to the relevant service process.

Customers should review the order information before confirming the order.

Order information may include:

- Products

- Quantity

- Variants

- Price

- Delivery address

- Delivery method

- Payment method

- Delivery charges

- Applicable discounts

- Total amount

==========

17. ORDER CONFIRMATION

==========

Customers should retain their order confirmation or order reference where available.

An order confirmation may help with:

- Tracking
- Customer support
- Returns
- Refunds
- Delivery inquiries
- Order changes

A payment transaction by itself does not necessarily mean that every order has been successfully created.

==========

18. ORDER ACCEPTANCE

==========

An order may be subject to:

- Product availability
- Payment confirmation
- Seller acceptance where applicable
- Delivery eligibility
- Address validity
- Other applicable business conditions

If an order cannot be fulfilled, the customer may be contacted or the order may be cancelled according to the applicable process.

==========

19. ORDER CHANGES

==========

Customers may request changes to an order where the order status permits.

Possible changes may include:

- Product
- Quantity
- Variant
- Delivery address
- Contact information
- Delivery method

Changes may not be possible after certain fulfillment stages have been reached.

==========

20. ORDER CANCELLATION

==========

Customers may request cancellation where cancellation is available.

Cancellation may depend on:

- Order status

- Payment status

- Fulfillment status

- Shipment status

- Product type

- Seller

- Applicable cancellation policy

An order that has already been shipped may require a return process instead of direct cancellation.

==========

21. CANCELLATION BY HULU BEJE OR SELLER

==========

An order may need to be cancelled in circumstances such as:

- Product becoming unavailable

- Payment failure

- Delivery restrictions

- Seller inability to fulfill the order

- Incorrect or incomplete order information

- Suspected fraudulent activity

- Other legitimate business circumstances

Where payment has already been made, applicable refund procedures should be followed.

==========

22. PAYMENT

==========

Customers must provide valid payment information where payment is required.

Available payment methods may vary depending on:

- Customer location
- Order
- Product
- Seller
- Payment service
- Transaction circumstances

Customers should review the payment options presented during checkout.

==========

23. PAYMENT RESPONSIBILITIES

==========

Customers are responsible for:

- Providing accurate payment information.

- Using a payment method they are authorized to use.

- Completing required payment steps.

- Reviewing the final amount before confirming payment.

Customers should not use another person's payment method without authorization.

==========

24. PAYMENT FAILURE

==========

A payment may fail because of circumstances such as:

- Incorrect payment information
- Insufficient funds
- Payment provider issues
- Network interruption
- Verification requirements
- Payment method restrictions
- Other transaction problems

Customers should not repeatedly submit payment if the status of an earlier transaction is unclear.

They should first verify the payment status where possible.

==========

25. PAYMENT DEDUCTED BUT ORDER NOT CONFIRMED

==========

If money appears to have been deducted but an order has not been confirmed, the customer should contact support with the relevant transaction or order information.

Customers should not provide:

- Passwords

- OTPs

- CVV

- Full card numbers

- Authentication codes

==========

26. DUPLICATE PAYMENTS

==========

If a customer believes they were charged more than once for the same order, the issue should be reviewed using relevant transaction information.

Customers should provide appropriate transaction references where available rather than sensitive payment credentials.

==========

27. DELIVERY

==========

Hulu Beje provides delivery options according to the applicable order and location.

General delivery options may include:

- Standard Delivery: generally 3–7 business days
- Express Delivery: generally 1–3 business days
- Same-Day Delivery: available for selected products and eligible locations, subject to the applicable checkout cutoff

Actual delivery availability may depend on:

- Location
- Product
- Seller
- Delivery method
- Order time
- Operational conditions
- Public holidays

- Other delivery circumstances

==========

28. DELIVERY FEES

==========

Delivery fees may vary depending on:

- Delivery location

- Product

- Delivery method

- Seller

- Order

- Promotion

Applicable delivery charges should be shown during the purchasing process.

Free delivery may be available as part of a promotion or specific offer.

==========

29. DELIVERY ADDRESS

==========

Customers are responsible for providing accurate delivery information.

An address may include:

- City

- Sub-city

- Woreda

- Kebele

- Neighborhood

- Street

- House or building information

- Apartment or unit

- Landmark

- Phone number

- Delivery instructions

Incomplete or incorrect information may cause delivery delays or failed delivery.

==========

30. DELIVERY ATTEMPTS

==========

Customers should be available to receive their order or provide appropriate delivery instructions.

If a customer cannot be reached, delivery may need to be:

- Rescheduled
- Reattempted
- Redirected where applicable
- Handled through an alternative delivery process

Additional conditions may apply depending on the delivery arrangement.

==========

31. DELIVERY DELAYS

==========

Delivery may be delayed because of:

- Traffic
- Weather
- Road conditions
- Public holidays
- Incorrect address information
- Customer unavailability
- Product availability
- Seller fulfillment delays
- Operational circumstances

A delivery estimate is not necessarily a guaranteed delivery time unless specifically stated otherwise.

==========

32. TRACKING

==========

Where tracking is available, customers may use the applicable order or tracking information to check shipment progress.

Tracking information may not update immediately after every delivery event.

A delay in tracking information does not necessarily mean that the shipment has stopped moving.

==========

33. DELIVERED BUT NOT RECEIVED

==========

If an order is marked as delivered but the customer has not received it, the customer should contact support promptly.

The issue may require review of:

- Order information
- Delivery information
- Delivery status
- Recipient information
- Relevant delivery records

==========

34. RETURNS

==========

Returns are subject to the applicable Hulu Beje return policy and, where relevant, seller-specific conditions.

Products may be eligible for return because of circumstances such as:

- Defect
- Damage
- Wrong product
- Missing components
- Product not matching the applicable description
- Other qualifying reasons

Return eligibility may depend on:

- Product type

- Product condition

- Time since delivery

- Seller policy

- Applicable return conditions

==========

35. CHANGE-OF-MIND RETURNS

==========

Change-of-mind returns may depend on the product and applicable return conditions.

Certain products may have special return limitations because of:

- Hygiene considerations
- Perishable nature
- Customization
- Sealed packaging
- Product condition
- Other applicable restrictions

==========

36. RETURN CONDITION

==========

Returned products may need to meet applicable condition requirements.

Depending on the product, requirements may include:

- Appropriate condition
- Original components
- Accessories
- Packaging
- Documentation
- Tags or labels

Specific conditions depend on the applicable return policy.

==========

37. REFUNDS

==========

Refunds may be available when an order or product qualifies for a refund.

Refund amounts may depend on:

- Amount actually paid
- Returned products
- Applicable discounts
- Delivery charges
- Partial returns
- Promotion conditions
- Seller policy
- Applicable refund rules

==========

38. REFUND TIMING

==========

Refund processing time may vary depending on:

- Refund approval
- Payment method
- Payment provider
- Bank or financial institution
- Transaction processing
- Other operational conditions

Customers should allow the applicable processing period before reporting a missing refund.

==========

39. EXCHANGES AND REPLACEMENTS

==========

Where available, customers may request:

- Exchange
- Replacement
- Repair
- Refund

Availability depends on:

- Product

- Seller

- Product condition

- Stock

- Reason for the request

- Applicable policy

==========

40. WARRANTY

==========

Some products may include a manufacturer or seller warranty.

Warranty terms may differ from the standard return policy.

Customers should review:

- Warranty duration
- Covered problems
- Exclusions
- Warranty provider
- Required documentation
- Applicable warranty process

Warranty information should be confirmed for the specific product.

==========

41. PROMOTIONS

==========

Hulu Beje may offer promotions such as:

- Percentage discounts
- Fixed discounts
- Coupons
- Promo codes
- Free delivery
- Bundle offers
- Quantity promotions
- Limited-time campaigns
- Seller promotions

Each promotion may have its own eligibility requirements.

==========

42. PROMOTION CONDITIONS

==========

Promotions may be subject to:

- Start and end dates
- Minimum order value
- Product restrictions
- Category restrictions
- Seller restrictions
- Location restrictions
- Payment-method requirements

- Customer eligibility

- Usage limits

Customers should review the applicable promotion terms before using an offer.

==========

43. COUPONS AND PROMO CODES

==========

A coupon or promotional code may fail if:

- It has expired.

- It has already been used.

- The order does not meet the minimum requirement.

- The products are excluded.

- The seller is excluded.

- The customer is not eligible.

- Another promotion conflicts with it.

- Other applicable conditions are not satisfied.

==========

44. PROMOTION STACKING

==========

Multiple promotions may not always be combined.

Whether discounts can be combined depends on the applicable promotion terms.

Customers should review the final order total before confirming the purchase.

==========

45. CUSTOMER REVIEWS

==========

Customers may be able to provide product reviews or ratings where such features are available.

Reviews should:

- Reflect genuine customer experiences.

- Be relevant to the product or transaction.

- Avoid false information.

- Avoid abusive or threatening content.

- Avoid personal information about other people.

- Respect applicable community or service rules.

==========

46. PRODUCT CONTENT

==========

Product descriptions, images, specifications, and other content may be provided by Hulu Beje or participating sellers.

Customers should use the available product information when evaluating a purchase.

Product content may be updated when information changes.

==========

47. INTELLECTUAL PROPERTY

==========

Hulu Beje and its applicable partners or sellers may own or have rights to certain:

- Logos
- Names
- Images
- Product content
- Written content
- Graphics
- Designs
- Other business materials

Customers should not copy, reproduce, modify, distribute, or commercially use protected content without appropriate authorization.

==

48. CUSTOMER-SUBMITTED CONTENT

==

Customers may submit information such as:

- Reviews
- Ratings
- Feedback
- Questions
- Complaints
- Other content

Customers should ensure that submitted content:

- Is accurate to the best of their knowledge.

- Does not unlawfully disclose another person's private information.

- Does not contain threats.

- Does not contain fraudulent information.

- Does not violate applicable laws or service rules.

==========

49. PROHIBITED CUSTOMER CONDUCT

==========

Customers should not use Hulu Beje services to:

- Commit fraud.

- Steal another person's account.

- Impersonate another person.

- Obtain another customer's private information.

- Submit false claims.

- Abuse payment systems.

- Repeatedly exploit promotions improperly.

- Submit knowingly fraudulent return requests.

- Harass staff, sellers, delivery personnel, or other customers.

- Submit malicious or unlawful content.

- Circumvent applicable service restrictions.

- Engage in other unlawful or abusive activities.

==

50. FRAUDULENT ACTIVITY

==

Hulu Beje may review activity that appears suspicious or fraudulent.

Examples may include:

- Unauthorized payment activity
- False identity information
- Repeated fraudulent claims
- Abuse of promotions
- Fraudulent returns
- Unauthorized account access
- Misuse of another person's information

Appropriate action may include additional verification, transaction review, cancellation, account restriction, or other measures consistent with applicable policies.

==========

51. ACCOUNT SUSPENSION OR RESTRICTION

==========

An account may be restricted, suspended, or otherwise limited when there is a legitimate reason to do so.

Possible reasons may include:

- Fraud

- Security concerns

- Repeated policy violations

- Unauthorized account activity

- Abuse of services

- Other serious or repeated violations

Where appropriate, customers may be informed about the relevant issue or available review process.

==========

52. SELLER RESPONSIBILITIES

==========

Participating sellers are expected to:

- Provide accurate product information.

- Maintain appropriate product availability information.

- Fulfill accepted orders.

- Package products appropriately.

- Follow applicable return and refund requirements.

- Respect customer privacy.

- Follow applicable seller policies.

- Avoid fraudulent or abusive activity.

==========

53. SELLER PRODUCT QUALITY

==========

Sellers are responsible for ensuring that products they provide meet applicable product requirements.

Customers may report:

- Defective products

- Damaged products

- Counterfeit concerns

- Wrong products

- Missing components

- Misleading descriptions

- Other product problems

Such complaints may be reviewed according to the applicable process.

==========

54. SELLER DISPUTES

==========

If a customer has a dispute with a seller, Hulu Beje may review the matter according to the applicable customer support and seller policies.

The review may consider:

- Order information
- Product information
- Seller information
- Customer complaint
- Delivery information
- Return information
- Payment information
- Other relevant records

==========

55. MULTI-SELLER ORDERS

==========

An order containing products from multiple sellers may involve:

- Different fulfillment processes
- Different delivery times
- Separate shipments
- Different return conditions
- Different seller responsibilities

Customers should review the applicable information for each product.

==========

56. PARTIAL DELIVERY

==========

An order containing multiple products may be delivered in more than one shipment.

A customer should not assume that missing products are lost solely because another part of the order has already arrived.

The customer should check the applicable order and shipment information.

==========

57. CUSTOMER RESPONSIBILITIES

==========

Customers are expected to:

- Provide accurate information.
- Review order details.
- Provide a valid delivery address.
- Provide a reachable contact number where necessary.
- Complete payment appropriately.
- Protect account credentials.
- Follow return requirements.
- Review product information.
- Follow applicable promotion terms.
- Use the service responsibly.

==========

58. DELIVERY ADDRESS RESPONSIBILITY

==========

Customers should ensure that delivery information is accurate.

If an incorrect address is provided, the customer may experience:

- Delivery delays
- Failed delivery
- Additional delivery attempts
- Rescheduling
- Other delivery complications

Address changes may depend on the current order status.

==========

59. CUSTOMER COMMUNICATION

==========

Customers should provide accurate contact information where necessary for:

- Order confirmation
- Delivery coordination
- Support
- Important account communication

Customers should monitor relevant communication when expecting an order.

==========

60. PRIVACY

==========

Hulu Beje handles customer and seller information according to applicable privacy and data protection practices.

Customers should review the applicable Privacy and Data Protection Policy for information about:

- Personal data
- Data use
- Data sharing
- Data security
- Data retention
- Customer privacy requests

==========

61. CONFIDENTIAL INFORMATION

==========

Customers should not send confidential information through ordinary support communication.

This includes:

- Passwords

- OTPs

- Authentication codes

- CVV

- Full payment card numbers

If verification is required, customers should use the appropriate secure process.

==========

62. SERVICE AVAILABILITY

==========

Hulu Beje services may occasionally be unavailable or limited because of circumstances such as:

- Maintenance
- Operational problems
- Network problems
- Third-party service interruptions
- Unexpected events
- Other business circumstances

Where possible, customers should be informed about significant service interruptions.

==========

63. SERVICE CHANGES

==========

Hulu Beje may update or modify its services from time to time.

Changes may include:

- Product offerings

- Delivery options

- Payment methods

- Promotions

- Account features

- Customer support processes

- Seller services

Specific transactions already completed may remain subject to the terms applicable when the transaction was made, where appropriate.

==========

64. POLICY CHANGES

==========

Hulu Beje may update its policies and terms when necessary.

Updated terms may reflect changes to:

- Services

- Business practices

- Product offerings

- Customer requirements

- Seller arrangements

- Applicable laws and regulations

Customers should review the current applicable terms when using the service.

==========

65. ERRORS AND CORRECTIONS

==========

Information displayed through the service may occasionally contain errors.

Errors may relate to:

- Product descriptions
- Prices
- Availability
- Delivery information
- Promotions
- Other service information

Hulu Beje or the relevant seller may correct errors when identified.

==========

66. THIRD-PARTY SERVICES

==========

Some services may depend on third parties, such as:

- Payment providers

- Delivery providers

- Sellers

- Communication providers

- Other service providers

Third-party services may have their own terms and requirements.

Customers should follow applicable requirements when using such services.

==========

67. FORCE MAJEURE AND UNEXPECTED EVENTS

==========

Certain events may affect Hulu Beje's ability to provide services.

Examples may include:

- Natural disasters
- Severe weather
- Road disruptions
- Public emergencies
- Major infrastructure failures
- Government restrictions

- Other events outside reasonable operational control

When such circumstances occur, delivery, order processing, or other services may be delayed or affected.

==========

68. LIMITATIONS OF GENERAL INFORMATION

==========

General information provided through Hulu Beje services is intended to help customers understand products, orders, delivery, payments, and related services.

Customers should rely on the specific information applicable to their:

- Product

- Order

- Seller

- Payment

- Delivery

- Return

- Promotion

where specific terms differ from general information.

==========

69. CUSTOMER SUPPORT

==========

Customers may contact Hulu Beje support for assistance with matters such as:

- Orders
- Delivery
- Payments
- Returns
- Refunds
- Products
- Accounts
- Seller issues
- Privacy
- Security

Support may request relevant information to investigate a customer-specific issue.

==========

70. SUPPORT VERIFICATION

==========

For account-specific requests, Hulu Beje may require reasonable verification before providing information or processing certain requests.

Customers should never be asked to provide:

- Passwords

- OTPs

- CVV

- Full payment card numbers

- Authentication codes

==========

71. COMPLAINTS

==========

Customers may submit complaints about:

- Products
- Sellers
- Delivery
- Payments
- Returns
- Refunds
- Account issues
- Customer support
- Privacy
- Other service matters

Complaints should include relevant information where available so the issue can be reviewed appropriately.

==========

72. DISPUTE HANDLING

==========

Where a dispute occurs, the parties should first use the applicable customer support or business resolution process.

Relevant information may include:

- Order reference

- Product information

- Payment information

- Delivery information

- Return information

- Seller information

- Description of the dispute

Applicable legal rights and remedies remain subject to the relevant laws and regulations.

==========

73. APPLICABLE LAW

==========

These Terms of Service should be interpreted and applied subject to applicable laws and regulations.

Specific legal requirements may vary depending on:

- Customer location

- Seller location

- Transaction

- Product

- Service

- Applicable jurisdiction

No specific governing-law provision should be assumed unless formally established by Hulu Beje.

==========

74. TERMINATION OF SERVICE USE

==========

Customers may stop using Hulu Beje services at any time, subject to obligations associated with existing transactions.

Account closure does not necessarily cancel:

- Existing orders
- Outstanding payments
- Returns
- Refunds
- Disputes
- Other existing obligations

==========

75. ACCOUNT TERMINATION OR RESTRICTION

==========

Where appropriate, Hulu Beje may restrict or terminate account access because of:

- Fraud

- Security concerns

- Serious policy violations

- Repeated abuse

- Unlawful activity

- Other legitimate business reasons

Where applicable, customers may have an opportunity to contact support regarding the restriction.

==========

76. SEVERABILITY

==========

If a particular provision of these Terms is determined to be invalid or unenforceable under applicable law, the remaining provisions may continue to apply to the extent permitted by applicable requirements.

==========

77. NO WAIVER

==========

Failure to enforce a particular provision in one situation does not necessarily mean that the provision is permanently waived.

Applicable rights and obligations remain subject to the current Terms and applicable law.

==========

78. ENTIRE SERVICE TERMS

==========

These Terms should be considered together with other applicable Hulu Beje policies, including policies relating to:

- Shipping and delivery
- Returns and refunds
- Payments
- Orders
- Products
- Promotions
- Customer accounts
- Privacy
- Sellers
- Customer support

Where a specific policy provides additional requirements for a particular service, the specific policy should be reviewed together with these general Terms.

==========

79. COMMON CUSTOMER SCENARIOS

==========

SCENARIO 1 — CUSTOMER WANTS TO CANCEL AN ORDER

Customer:

"I want to cancel my order."

Handling:

Check the applicable order status and cancellation conditions. Cancellation may depend on whether the order has entered fulfillment

or shipment.

SCENARIO 2 — CUSTOMER WANTS TO CHANGE DELIVERY ADDRESS

Customer:

"I entered the wrong address."

Handling:

The customer should request an address change as soon as possible. Whether the change can be made depends on the order status and delivery process.

SCENARIO 3 — CUSTOMER PAID BUT ORDER IS NOT CONFIRMED

Customer:

"My payment was deducted but I don't see an order."

Handling:

The payment and order status should be reviewed using appropriate transaction information. The customer should not provide passwords, OTPs, CVV, or full card numbers.

SCENARIO 4 — CUSTOMER RECEIVED THE WRONG PRODUCT

Customer:

"I received a different product."

Handling:

The customer should report the issue through the applicable return or support process and provide the relevant order information.

SCENARIO 5 — CUSTOMER WANTS ANOTHER CUSTOMER'S INFORMATION

Customer:

"Give me the phone number of the person who ordered this."

Handling:

Do not disclose another customer's private information.

SCENARIO 6 — CUSTOMER WANTS TO USE AN EXPIRED COUPON

Customer:

"My coupon expired yesterday. Can you apply it?"

Handling:

Coupon eligibility depends on the applicable promotion terms. An expired coupon should not be represented as valid unless the applicable business policy specifically allows it.

SCENARIO 7 — CUSTOMER RECEIVES A DAMAGED PRODUCT

Customer:

"The product arrived damaged."

Handling:

The customer should report the damage through the applicable return, replacement, refund, or support process.

SCENARIO 8 — CUSTOMER WANTS TO RETURN A PRODUCT

Customer:

"I changed my mind and want to return it."

Handling:

Return eligibility depends on the product and applicable return conditions. The customer should be guided according to the applicable return policy.

SCENARIO 9 — CUSTOMER REPORTS SUSPICIOUS ACCOUNT ACTIVITY

Customer:

"Someone changed my account information."

Handling:

Treat the matter as an account security concern and guide the customer through the applicable security and account recovery process.

SCENARIO 10 — CUSTOMER ASKS FOR PASSWORD SUPPORT

Customer:

"I forgot my password. Can you tell me what it is?"

Handling:

Do not provide or request the customer's password. Use the appropriate password reset or account recovery process.

Q17. Are all products sold directly by Hulu Beje?

A:

Not necessarily. Some products may be supplied by participating sellers.

Q18. Who is responsible for a seller's product?

A:

Responsibilities may depend on the seller arrangement and applicable seller policy.

Q19. Can product prices change?

A:

Yes. Product prices may change. Customers should review the current price before confirming an order.

Q20. Can a product become unavailable after I order?

A:

It may happen in circumstances such as inventory problems or seller fulfillment issues. The order may then require review or cancellation according to the applicable process.

Q21. Can I use more than one coupon?

A:

Not necessarily. Coupon stacking depends on the applicable promotion terms.

Q22. Can I ask Hulu Beje to delete my account?

A:

Account deletion or deactivation may be available where applicable, subject to legitimate retention requirements.

Q23. Can another person access my account?

A:

Customers should prevent unauthorized access to their accounts.

Q24. What if I receive another customer's information?

A:

Report it promptly as a potential privacy concern.

Q25. What should I do if I receive a suspicious message claiming to be Hulu Beje?

A:

Do not provide passwords, OTPs, authentication codes, CVV, or full card numbers. Verify the request through an appropriate Hulu Beje support channel.
